Respected Sir

It is very unfortunate and disgraceful to say that although you have transferred my case to OHRC in the month of August 2023 and now it is the month of October 2023 not a single reply has come from OHRC and I do not know the status of my case and cannot move to Orissa High Court for justice. It raises questions on the credibility of both NHRC and OHRC as OHRC is not complying with the order of NHRC.

It is only because of personal vendetta against me by OHRC as I filed PIL on the DQ scam in Odisha where some of the name of OHRC CHAIRMAN was included based on RTI and now my petition is pending with law Commission and CJI to introduce JURY SYSTEM to judge the corruptions by Judicial members.

So I request you to take up my case at NHRC LEVEL as there is no chance of getting justice where Jayanti das VRS OHRC is the issue and it is pertinent to mention that NHRC has case history of taking up cases of Odisha and the ground where you transferred my case to OHRC on the plea that it belongs to OHRC domain should be reviewed and necessary steps to be taken to rectify the mistakes at NHRC LEVEL.

**Yours faithfully
Jayanti Das
