

LEGAL_AWARENESS IN AUGUST 2023 ITEM 62 EMAIL DATED 07 08 2023 TO OHRC ABOUT NHRC CASE DATED 07 08 2023 TRANSFERRED TO OHRC REGARDING OPEN AIR SLAUGHTER

To

HON'BLE CHAIRMAN OHRC

SUBJECT- NHRC CASE 1923/18/3/2023 DATED 07 08 2023 TRANSFERRED TO OHRC

Sir

Please refer to the above mentioned subject which is transferred to you from NHRC with a comment that it pertains to your domain.

It is pertinent to mention that this case has been primarily registered with vide case 2160 of 2019 which was disposed of arbitrarily by OHRC in the year 2022 but I was not informed by OHRC about the disposal for more than one year until I asked the information under RTI from OHRC.

It is unfortunate that a copy of the order of the said case was sent to me by an ordinary post recently and the reason mentioned in the order for disposal by giving clean chit to CMC and not making any comment on the inaction of DCP Cuttack, DGP Odisha and Collector Cuttack is not appreciated. OHRC has not gone through properly about the content mentioned in my petition about the cremation ghat etc which was not taken up during disposal of the case which was denied falsely by Cantonment PS Cuttack which is still existing opposite to the PS and operational; and above all it is managed by CMC which could have been cross verified during the interaction with CMC commissioner Ananya Das.

There are several loopholes in the order of OHRC and due course of law is not followed and no precautionary measures were ascertained by OHRC before passing the order from CMC and others.

The case is already four years old and the open air slaughter and dressing of carcass in public view has spread like epidemic worse than corona virus in Cuttack and is still continuing because of the defunct order of OHRC.

Under the circumstances I request the OHRC to register a case as per the direction of NHRC and to peruse my primary petition in case no 2160 of 2019 and make all the authorities mentioned in the petition respondents as it pertains to their domain and both CMC Act and UPD Act are violated.

Please provide me the fresh case no and dispose the case on merit within a stipulated short time as I have already lost four years of precious time and energy and still the grievance is not redressed because of violation of Article 21 because of above mentioned authorities.

Thanking you

Jayanti Das
