MUSHROOMING OF MUTTON SHOPS ON PUBLIC ROAD IN PUBLIC VIEW AS WELL AS IN RESIDENTIAL AREA, NEAR SCHOOLS AND COLLEGES BY THE SIDE OF TEMPLES ETC IN CUTTACK CITY

There is violation of CMC Act 562 and 563 received under RTI which says chicken/mutton shops are not allowed in above mentioned areas and it is also violation of commissionerate police act which does not permit the above operation received under RTI

The most polluted chicken/mutton slaughter areas on public road in public view are Sheikh Bazar, Mahamadia Bazar, chandi mandir chhak area, Prajatantra office Chandni chowk, Chandni chowk Jagannath temple area, purighat PS area, seminar chhak near Lord's hotel, CDA sectors 9,10 and 11 where 30+ road side shops are operative in full swing.

The most sensitive area is Biju Patnaik chhak by the side of ANAND BHAWAN MUSEUM (ancestral building of Hon'ble CM Odisha) under the jurisdiction of IIC Cantonment PS. This is a horrible place to visit where the butchers give live demonstration to show their freshness kill on the public road by giving a DAMN to both CMC and CP act.

Still the inaction from all the authorities prevail for years together and Cuttack is still under the era of primitive age where such bloodshed is allowed publicly. Cuttack is not at all READY and SUITABLE to contest in the race of SMART CITY.

The central government authorities who judge and allocate funds in crores to the would be SMART CITIES of India will be contacted shortly and will be provided all the evidences of such violent acts affecting the civic life for proper action.
