**OHRC CASE NO 2288 OF 2019 REGARDING DISPOSAL OF UNCLAIMED HUMAN DEAD BODY BY GARBAGE CARRIER OF MUNICIPALITY WHERE POLICE AND HOSPITAL AUTHORITIES ARE EQUALLY LIABLE FOR HUMAN RIGHT VIOLATION**

**Sir**

**Please refer to my EMAIL DATED 04 06 2023 in the above mentioned matter. It is unfortunate that although more than two years have passed you have not informed me about the status of my case and it is lingering since 2019.**

**You are requested to provide me with the details of your action taken against the said police, hospital authorities and municipality who were proved guilty by their self admission in the report presented in OHRC.**

**You are suggested to close the case at the earliest so that I can move the higher court to prevent such type of irresponsible actions which is a crime against humanity by the above mentioned officers and seek direction from the court to initiate disciplinary action against them.**

**Yours faithfully**

**Jayanti Das**
