Respected Sir

**SUBJECT- CASE NO 2152 OF 2022 ARISING OUT OF CASE NO 2160 OF 2019 REGARDING ILLEGAL AND
UNAUTHORIZED MUTTON SHOPS AND ILLEGAL AND UNAUTHORIZED CREMATION GHATS IN CUTTACK**

**Please refer to my EMAIL DATED 10 12 2024 in the above mentioned matter and your order copy in
CASE NO 2152 OF 2023 in order dated 02 09 2024 and order dated 07 11 2024 with case no 2152 of
2023 where it states the next hearing date was 14 02 2025.**

**It is pertinent to mention that whoever had signed the letter mentioned above has TWO CASE
NUMBERS like 2152 of 2023 and 2152 of 2022 and so there is disparity in these cases as these two
case numbers are different from each other and the matter may be different.**

**You are suggested to correct the case number with the date of order and send me a fresh corrected
copy of the order.**

**You are also suggested to take necessary action against the concerned officer who signs and writes
the letters on behalf of OHRC without application of mind as OHRC is not a playground where
anybody will act and write in such a negligent manner as the orders have judicial implication and can
be challenged to Orissa High Court.**

**It is unfortunate that although the hearing was done on 14 02 2025 and five months have passed, I
have not been provided the copy of the order so far either through email or speed post.**

Yours faithfully

Jayanti Das
