To .

The Hon'ble Shri V. Gopala Gowda, B.Sc., LL.B., the Chief Justice of Orissa High Court and His Lordship's Companion Justices of the said Hon'ble Court.

The humble petition of the above named petitioner.

MOST RESPECTFULLY SHEWETH:

- 1. That, the present petition Under Article 226 & 227 of the constitution of India is being filed by way of Public Interest Litigation for seeking direction to protect the Safety, Security of the Judiciary, Advocates, General Public and all other professions linked with the court procedures.
- 2. That, the petitioner is a citizen of India and resided within the territorial jurisdiction of this Hon'ble court and the cause of action arises within the jurisdiction of this Hon'ble Court.
- 3. That, the petitioner being a peace loving and law abiding citizen considers it as her right as well as her duty to bring the notice of this Hon'ble court by way of public interest. The petitioner has no personnel interest and the petitioner is filing the present petition on her own and not at the instance of some one else.
- 4. That, the petitioner has files this Writ petition in the form of PIL for the Safety, Security and protection of the Judiciary, Advocates, General Public and all other professional linked with the Court Procedures and the cause of action arises from the incident of Bomb blast on 07.09.11 near the Delhi High Court, Gate No.5 at 10A.M which is the peak hour as published in daily Oriya News paper "The Samaj" dt.08.09.11 and different news channels broad cast.

The true copy of the News published in "The Samaj" dt.08.09.11 is annexed herewith as Anneure-1 for kind perusal of this Hon'ble court.

5. That, it is also pertinent to mention here that there is also apprehension of same event to occur incase of judiciary in Orissa where in the Hon'ble High Court of Orissa the security measures taken except some guards deployed near the main gate and some police staff on duty inside court premises which is not at all adequate in nature to prevent such type of incident to avoid.

6. That, it is also necessary to bring to the notice of the court that although around one month time passed the State Administration has not taken any stringent preventive measures to avoid such radical steps of any terrorist and criminal attack on the court to derail the judicial structure and faith of common people on the system.

7.

8:

9.

That, the petitioner has approached the D.G Police, Cuttack, Orissa regarding the action taken so far and their proposed action to prevent any future incident of such nature dated 28.09.11 and DCP, Cuttack to provide the copy of action taken as preventive measure in this direction related to safety, security, protection of the court, its employees, staff member and advocates and their clients.

The true copy of the letter dt.28.09.11 is annexed herewith as Annexure-2.

That, from the news publication both in press and electronic media it is sure that most of the injured and dead persons are clients who wanted to attend the court proceedings and gone to the Hon'ble High court to get some relief and one of the dead person belongs to Orissa.

That, it observed that there is total chaos and this management of the State Govt. in handling the matter of court premises, and there is no check and balance system, there is no record of person entering the court premises and existing, no verification of the persons, their identity, purpose of visits inside the court, full freedom of hawkers and beggars inside the court premises, no rule for parking of vehicles out side and inside the court premises touching the boundaries of Hon'ble High court, no security arrangement for the vehicles parked either CMC or police

staff to keep an eye over them, there is every chance of mishandling of the vehicles by terrorist to make an attempt to derail the system and create panic and the motive of creating disturbance socially, psychologically, economically is possible only because of our unprepared ness and casual attitude of leaving everything on the mercy of God without a serious attempt to take precautionary measure to avoid the mishap.

10. That, the petitioner humbly submits that she wants to bring to the notice of Hon'ble court to take into account to prevent any unwanted mishap in around court premises to the Advocates, clients, staffs and other employees associated with the court for their livelihood and get justice and the State Govt. to take appropriate steps for the safety and protection of judiciary, Advocates, clients and others to install C.C. TV in all gates, parking lots, metal detector and Body scanners in all gates of High court, District court and Lower courts which will prevent unwanted and unnecessary elements enter to the court, the vehicles parked inside/outside court premises to be under security with number of coupons mentioning time of entry and exist with vehicle number and police personnel's to be in charge, the court area to be sanitized and only Advocates, Court staff and clients to enter to the courts and with proper I Card and Punch machine near the gate where the persons entering to the court will leave thumbs impression and timing automatically which will be in computerized form easier for further dealings during crisis, restrictions on entry to the court premises regarding visitors, only who has case or who will file cases to be allowed and the record to be maintained near the Gate where the security will enter name of Advocates, clients, the person's entry time and exist time to be recorded.

11. That, the opposite parties may be directed to provide the plan of action and time frame needed to accomplish the same in the interest of larger section of the court staff and Advocates whose daily routine and livelihood is closely dependent on the safety linked and reciprocal in nature.

12. That, the State should insure the High court, District court and Lower courts buildings and its accessories and the State also make provision for payment of extra stamp duty fixed on every petition filed in the courts and burden of this should be on clients to pay extra for the security and well being of their Advocates.

what plans and steps have been taken for the welfare of Advocate fraternity of Orissa against any odds like Terrorist Attacks on courts as the Advocates have no permanent and fixed source of income although they are into this justice source of income although they are into this justice delivery system and there is no guarantee of the future practice of the advocates as Govt. employee like pension, PPF and others. The old age of the advocates and any damage due to the untoward incidents occurred due to the faulty planning and inaction of State Govt. is to be accounted for all assurance from State Govt. to the Advocate fraternity who are part and parcel of 3rd pillar of Democracy is a must with time limit declared.

14. That, the State may be directed that why it should not spend money in preventive measures to stop the damage instead of paying few cash in the form of compensation. The same or less amount of money can make the life and stature of the Advocates and other staffs related to court on a routine basis more beautiful and prosperous than damage control and happy and contended life for this beautiful professionals.

15. That, there being no other speedy and efficacious alternative remedy available petitioner begs to invoke the extraordinary jurisdiction of this Hon'ble court under Article 226 & 227 of the Constitution of India.

PRAYER

In this facts and circumstances the petitioner humbly prays that this Hon'ble court may kindly be pleased to issue rule NISI calling up on the opp. parties to show cause as to why the State shall not give Safety, Security and Protection of the Judiciary, Advocates, General Public and al other professions linked with the court procedures and also to install C.C. TV in all gates, parking lots, metal detector and Body scanners in all gates of High court, District court and Lower courts which will prevent unwanted and unnecessary elements enter to the court, the vehicles parked inside/outside court premises to be under security with number of coupons mentioning time of entry and exist with vehicle number and police personnel's to be in charge, the court area to be sanitized and only Advocates, Court staff and clients to enter to the courts and with proper identity card and punch machine near the gate where the persons entering to the court will leave thumbs impression and timing automatically which will be in computerized form easier for further dealings during crisis, restrictions on entry to the court premises regarding visitors, only who has case or who will file cases to be allowed and the record to be maintained near the gate where the security will enter name of Advocates, clients, the person's entry time and exist time to be recorded, if the opp. parties fail to show cause or shown insufficient cause to make the rule absolute;

And may further be pleased to pass any other order(s) as deemed fit and proper;

And for this act of kindness the petitioner as in duty bound shall ever pray.
